The Hotel Agumar is located in the Spanish capital Madrid just next to the train station Atocha which is the destination of many national and international high speed trains.

From the hotel you can easily reach the green lung of Madrid, the parc Retiro, as well as the cultural triangle of the city, the three most important art collections of the country, which you can admire in the museum "El Prado", the museum "Thyssen Bornemisza" and the museum "Reina Sofia".

By foot or by public transportation, it is very easy to get around the city and discover the cultural and the historical corners, the financial district and the shopping areas.
